

Youth Strides Summer Camp

Youth Strides is a week-long summer camp that consists of leadership programming, life skills development, and other workshops along with free time for socializing and outdoor recreation. Our programs and workshops explore important topics such as social justice, critical thinking, creative expression, and more. Other activities include playing sports, swimming, kayaking, art, theatre, music, and the highly anticipated talent show!

Youth Activity Night Wednesdays - Ages 13-19

Youth Activity Night is a drop-in program that provides a safe and fun place for youth to practice their English, make new friends, and experience what Victoria has to offer.

Every month we offer different activities including workshops, art projects, games, sports, community outings, and events. Past outings include The Board Game Café, the Art Gallery, a Royals hockey game, laser tag, and more! Check out our website for our monthly calendar of events and activities.

Art Therapy

In School Program- Ages 6-11

Facilitated by a professional art therapist and certified counselor. Children participate in a 12-week group program along with one-on-one sessions to process feelings about immigration experiences, grief and loss, family separation, loneliness, isolation and trauma. Mind-body approaches, creative processes, and play are used as meaningful sources for communication, self-expression, and integration. Check with Enable staff to see if this program is offered at your child's elementary school.

Homework Club

Tuesday 4:00-6:00pm- Ages 6-25

Homework Club helps children, youth and young adults succeed in school environments by providing one-on-one tutoring to assist with assignments, projects, tests, and improving study skills. This drop-in program provides a safe space to learn, make new friends, build self-confidence, and increase academic performance. Homework Club is split into a children's group for ages 6-12 and a youth group for ages 13-25, and helps with all grade school level subjects.

The Enable Program:

provides services to address the academic, social, and emotional needs of immigrant and refugee children and youth as they transition into Canadian Society.

SPARKS

After School Program- Ages 6-11

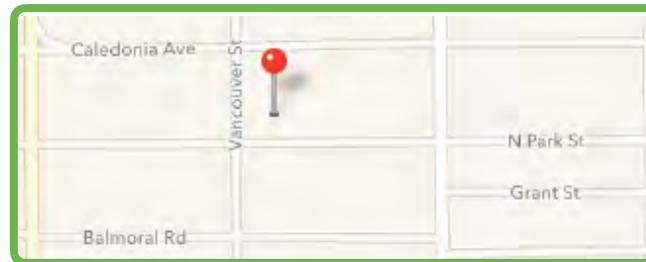

Sparks helps newcomer children improve their English and build stronger social-emotional skills as they adjust to the Canadian school system. Sparks uses games, art, stories, sports and more to help children make new friends, practice their English, learn about Canadian culture, and celebrate diversity. Check to see if Sparks is offered at your child's elementary school!
